Sir:

This is in response to the Decision on Petition to Restart Statutory Period for Reply that was dated March 30, 2007. An affidavit from Steven W. Arms, President of MicroStrain, Inc. is attached. The affidavit provides the statement from a person from MicroStrain that the Patent Office said was necessary to establish that a copy of the Office action was not received at MicroStrain. The affidavit provides the procedures used at MicroStrain. It attests that a review and search of the records at MicroStrain indicates that a copy of the office action was not received. In view of this affidavit, applicant requests reconsideration of the petition.
